THE MINISTRY OF MOSES

-Exodus 2:11-19

- 1) He was **grieved** by watching his own people be oppressed: Even though he was raised to learn Egyptian Laws and Culture, it still grieved him to know that HIS people were being abused by the Egyptians.
 - 2) He took time out to speak to his own people about how they were **treating each other**: Even after killing the Egyptian, it **bothered** him to see his people fighting and/or not living in peace.
 - 3) He could **not stand by** and watch the Midianite women be bullied: After fleeing to Midian, he still took time to help and provide justice for Zipporah and her sisters (they weren't even his people)
- What is it that either frustrates you or invigorates you that you can't ignore in your life?
 - Have you talked to God about that thing and how HE wants to use it for HIS Glory?

MOSES: A MAN OF MANY EXCUSES & MISCONCEPTIONS

God Told Moses Specifically What To Do And What Would Happen

It's time for you to go back: I'm sending you to Pharaoh to bring my people, the People of Israel, out of Egypt." "I will be with you," God said. Exodus 3:10-11

God hardened Pharaoh in his stubbornness. He wouldn't listen, just as God had said to Moses. Our stubbornness can lead to divine hardening.

Why didn't Moses believe God? "Jesus promised that in the world His followers would have trouble, but they can take heart because He has overcome the world." John 16:33

Moses Gave God an Excuse After Excuse (Five Times)

Exodus 3-4 depicts the excuses Moses gave:

1. "Who am I?" - I'm inadequate
2. "What if they ask your name?" - What if I don't know the right thing to say
3. "They will not believe me" - People won't listen to me. (who am I)
4. "I am slow of speech" - What if I mess up?
5. "Send someone else" - I just don't want to do it.

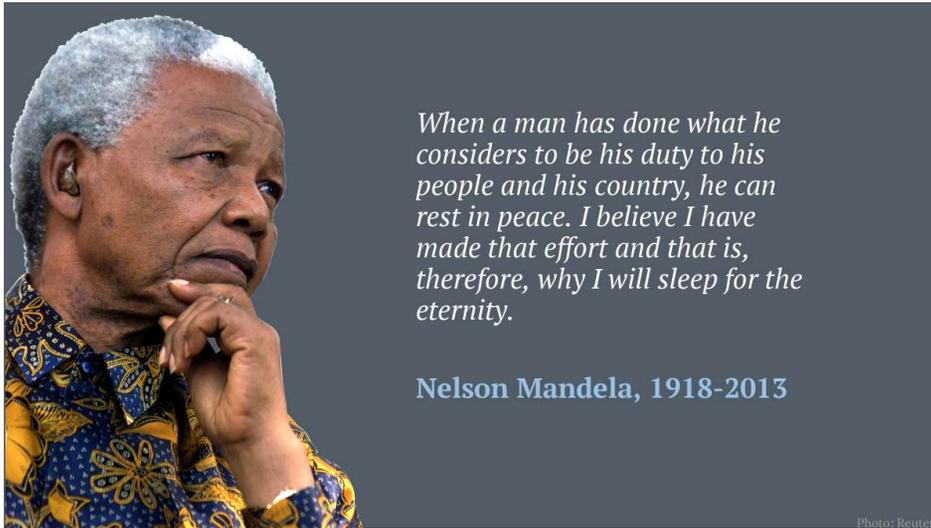

What's in Your Hand? (What's In Your Wallet?)

Moses used what was in his hand eight times to do the miraculous for God's people. Imagine how God could use us if we stop giving some of the excuses we give.

1. What excuses have you given or ARE giving God?
2. What's in your hand?

LEGACY

faith-based inheritance passed down
from one generation to the next

What are some things Moses passed down as Legacy all the way to us?

- A
- B
- C
- D

(Rhetorical) What LEGACY will you leave long after you have passed on?

Exercise: One of the best ways to strategize legacy in your life is by writing your OWN obituary (I know it is morbid). However, write down 3-5 things that you want your obituary to say about you and ask yourself this important question:

“If I died today, would the obituary my family writes include those 3-5 things I just wrote? “

If so, PRAISE GOD! Keep living out your LEGACY. If not, what are YOU doing to impact your LEGACY today? Furthermore, what will you do today to ensure those 3-5 things are included? (let's talk about it)
